

DESIGN XPRESSIONS

Put your plans in the hands of the experts at Design Xpressions.

With more than 30 years of experience in manufacturing and interior joinery, we specialise in the design of bespoke joinery for the kitchen, laundry, and throughout the home.

Experts at every stage

Whether it's manufacturing or retail, we take care of as much or as little of your project as you need. If you're a joiner trying to **grow your business**, a manufacturer wanting to **lighten your workload**, or a homeowner looking for **guidance through a renovation**, we can help.

At Design Xpressions, we handle everything from initial concepts and production drawings to 3D designs, manufacturer sourcing, and project management.

Professional, approachable and reliable: whatever your needs, we have the skills and experience to get it done.

For more information on how Design Xpressions can benefit your business and help you create a beautiful home, call Dene and Sharon on **027 426 9966** or email us at info@designxpressions.co.nz to arrange a free consultation.
